55/11 Planning

Erection of 1 no wind turbine (36.4m to hub and 46m to blade tip) and associated infrastructure at Trenwick Far, York Road, Hayton, East Riding of Yorkshire YO42 4LW for Mr T Hardcastle

Application ref. 12/01947/PLF

Full Planning applied for.

Parish Council had received only three letters of objection about this application.

Parish Councillors felt that with something as important as this that the ERYC should give more time for consultations to be carried out and for comments to be made.

Clerk to contact the ERYC Planning Department and ask for an extension to the time period given so that they can each read the application and for residents to write in with their comments.

Clerk to make posters explaining where parishioners can obtain more information on the application via the Planning portal and the Library at Pocklington, this information is also to be placed in the Pocklington Post.

Clerk to contact Shiptonthorpe Parish and ask what their views were on the application. Everingham Parish Council also to be contacted to see if they had been consulted.

Clerk is to ask for more time and then call another meeting of the Council. Hopefully on June the 14th 2012

Meeting closed at 7.50pm
